On November 6th, Southwest District Mission Program, Inc. Board Members, Richard Appell and Janet Christopherson delivered ten water purification systems, nine bicycles, boxes of clothes, walkers, assorted medical items, supplies, plus numerous boxes for the daycare to Miami. These items were processed and placed on a ship container and will be in Havana in a few weeks. With estimated date of release, currently, is mid-February 2020. A total of 1,106 pounds of items were delivered. All water systems, all bicycles, all items are designated for a location and spoken for.

This is our third shipment and each time it grows. I thank everyone involved both in Cuba and the United States that made this run so smoothly.

This shipment is going to bless so many in Cuba in so many ways, thank you Southwest District and all. God is Good!
