CUBA
SO
CLOSE....
BUT, A
WORLD
AWAY!

A Baby Will Change Your Life!

I do not believe anything will change your life more than a baby being born into the family. From that day forward you cannot believe you could love someone so much.

As the angels said years ago, "today in the city of David a savior was born for you." Did you notice the "for you." The ultimate gift of love born "for you." Yes that is what it says.

Christmas is a season of love and truly we can only wish it would last the other 364 days. Janet and I are from a very small immediate family but the memories and love runs very deep

*with loved ones past and present.
Those memories are absolutely
priceless and will last us a lifetime.*

*We look forward every year to adding
to those memories this year is no
different. As mentioned above that
same deep love has reached loved
ones and families in Cuba. Trust me
our love for our Cuban family runs just
as deep, as they to have changed our
lives forever.*

*The Southwest District Mission
Program, Inc. wishes you and your
family the best holiday season, Merry
Christmas and make more memories!!*
